MYO THANDAR

Full-Stack MERN Web Developer & CSE Undergraduate

Vadodara, Gujarat, India (From Pyin Oo Lwin, Myanmar) • +91 8141194328 • assumptamyo@gmail.com • GitHub • LinkedIn

PROFESSIONAL SUMMARY

Final-year Computer Science undergraduate and MERN stack web application developer specializing in building scalable full-stack architectures. Passionate about algorithmic problem-solving, clean code principles, and practical software solutions. Equipped with foundational knowledge in AI/ML and Data Science, bridging robust backend engineering with intuitive, responsive user experiences.

TECHNICAL SKILLS

Languages: JavaScript (Primary), Python, Java, C++, C#
Frontend: React.js, HTML5, CSS3, Tailwind CSS, Bootstrap, Vite
Backend: Node.js, Express.js
Databases & Tools: MongoDB, MongoDB Atlas, Git, GitHub, Postman, Vercel, Render, VS Code

PROFESSIONAL EXPERIENCE

Junior Web Developer (Intern) **July 2026 – September 2026**
Unlox Company (Job Bridge Program)

- Completed a rigorous 3-month internship and project-based learning initiative focused on enterprise-grade web applications.
- Developed and engineered real-world production features for **Unfazed** (SaaS platform for therapists), implementing secure authentication and API integrations.

KEY PROJECTS

OFFICEEASE | Localized E-Learning Platform **React, Node.js, Express, MongoDB, Tailwind CSS**

- Designed and developed a localized e-learning platform teaching Microsoft Office tools (Word, Excel, PowerPoint) tailored for students in Myanmar with limited course access.
- Transformed traditional book-based curricula into structured, compact digital lessons arranged sequentially for enhanced learner retention.

UNFAZED | SaaS Platform for Therapists **MERN Stack (React, Node.js, Express.js, MongoDB)**

- Engineered a comprehensive SaaS solution featuring real-time dashboards, secure user authentication, OTP verification, and integrated chat modules.
- Implemented secure third-party API integrations and payment gateway workflows.

DON COFFEE SHOP | E-Commerce Web Application **MERN Stack (React, Node.js, Express.js, MongoDB)**

- Built a full-stack e-commerce platform for coffee shop menu management and product sales.
- Integrated an interactive user feedback/comment section with dynamic like/react buttons.

EDUCATION

Parul University | Vadodara, India **Expected Graduation: May 2027**
Bachelor of Technology (B.Tech) in Computer Science and Engineering | CGPA: 8.0 / 10.0

CERTIFICATIONS & ACHIEVEMENTS

- **Research Publication:** Published paper entitled *"Development of a Localized E-Learning Platform for Microsoft Office Tool"* in the International Journal for Research Trends and Innovation (IJRTI), Volume 11, Issue 9 (September 2026).
- **Job Bridge Certification:** Awarded Unlox Edge Certification specialized in Web Development in collaboration with Outpro India (October 2026).
- **Winning Team Award:** Recognized as a member of the winning team at the Hult Prize On-Campus Program, Parul University (2023–2024).
- **Technical Fest Participation:** Participated in the Web Wizards (Cosmos) event at Projections, Gujarat's largest technical festival, Parul University (February 2024).
